

Shaw Island School District 10

January 2025

Dear Shaw Island School District and Community,

Happy New Year! As we step into 2025, I am filled with excitement and gratitude as I take on the role of superintendent for Shaw Island School District. I am honored to serve this vibrant and caring community and look forward to working closely with each of you to continue fostering an environment of growth, learning, and success for our children.

Having spent a little time getting to know the district and its unique strengths, I am impressed by the dedication of our educators, the enthusiasm of our students, and the unwavering support from families and community members. Together, we have the opportunity to build upon the solid foundation that has been laid and explore new ways to enhance the educational experience for all.

In the coming months, I plan to meet with parents, teachers, students, and community members to better understand the hopes and aspirations you have for our schools. Your input is invaluable, and I am committed to maintaining open lines of communication as we work collaboratively to ensure every child has the opportunity to thrive.

I believe that by working together, we can continue to achieve great things. Let us make this year one of progress, unity, and shared success. I encourage you to stay involved, share your ideas, and celebrate the achievements of our students and educators.

Thank you for welcoming me. I wish you and your loved ones a joyful, healthy, and prosperous New Year.

Warmest regards,

Dr. Becky Mudd Bell
