

Procedure Community Service

Shaw Island School District is a non-high district. The Superintendent may implement a process to recognize student achievement in community service. The following programs are suggested but districts may design their own programs to best serve the unique needs of their students:

Certificate of Merit

A certificate of merit program awards students gold, silver or bronze "medals" for completing certain numbers of hours for volunteer community service. Students must meet the 2.0 GPA requirement or receive a GPA requirement waiver from the principal in order to participate. Hours may be accumulated annually or throughout the high school career. Students will keep a written log and hours must be verifiable.

Other Incentives

Districts may implement other incentive programs, including class credit for a required number of community service hours, a class on volunteerism, making a certain number of community service hours a graduation requirement, extra privileges or a special event, field trips and/or a "community service" club.
