

## **Annual Governance Goals and Objectives**

Each year the board will formulate goals and objectives to guide effective board governance. The goals and objectives may include but are not limited to the board functions of:

- A. Responsible school district governance;
- B. Communication of and commitment to high expectations for student learning;
- C. Creating conditions district-wide for student and staff success;
- D. Holding the district accountable for student learning; and
- E. Engagement of the community in education.

The process of identifying goals should involve teachers, administrators, directors, students, parents, business persons, and other community members. The district shall undertake self-study procedures on a regular basis with emphasis given to achieving educational excellence and equity, building stronger links with the community and reaching consensus upon educational expectations.

At the conclusion of the year the board will reflect on the degree to which it has met its goals and objectives by conducting a board self-assessment and engaging in board development activities where needed. Annual goals and recognition of accomplishments should be reported to the community each year. The district shall submit a report to the superintendent of public instruction on the scheduling and implementation of its self-study activities.
